**POSTWR** 

All existing referendums for the current year are listed below. When the voting period for a referendum is over, you can then make note of the results and clear them.

Once the referendum is cleared, all of the data associated with the referendum (the votes and the referendum record itself) will be deleted, but a spreadsheet of the results will be stored on the SGA web server is a secure location in case the data is inadvertently cleared.

#### Referendum Results

### Student Activity Fee

**Export Result** 

Voting completed: 4/17/2024 5:00:00 PM

The Student Government Association (SGA) supports over 300 student groups, enhancing campus life. Recently, we've faced funding challenges due to depleted surplus funds from the Covid-19 era and rising costs. To maintain our support for these vital student organizations, we propose a modest increase in the Student Activity Fee. This step is essential to continue supporting student engagement on and off campus.

Should the University of Maryland raise the student activity fee by \$6 (from \$44.50 to \$50.50), per semester, for full time students and \$3 (from \$22.50 to \$25.50), per semester, for part time students starting during the 2025-2026 academic year to address inflation and maintain the current funding for student groups, thereby avoiding additional severe budget cuts in future years?

Yes	1124	53%
No	634	30%
Abstain	332	15%
